Meet Krystn.

HOST / PRODUCER / STORYTELLER

Krystn Enem is a Nigerian-Cameroonian media host, producer and creative entrepreneur whose work spans television, radio and digital media. Known for a warm, conversational interview style, she has built a career creating space for honest stories and emerging voices. Her flagship television series expanded from PRTV to Africa Magic Urban and featured leading African entertainers. After a 10-year hiatus following her last production in 2016, Krystn returned with Conversations with Krystn Enem - a more reflective, globally minded evolution of her original media vision.

"I believe the right conversation can change how we see ourselves - and one another."
